## Skills

---

**Programming Languages:** Java, Python, JavaScript, TypeScript, SQL, MySQL

**Web & Backend Development:** React, Next.js, Tailwind CSS, MERN Stack, Spring Boot, Maven

**Mobile Development:** React Native (Expo)

**Tools & Platforms:** Git, GitHub, VS Code, Postman

## Work Experience

---

**LITZ Tech, Coimbatore**

02 Dec 2023 - 06 Dec 2023

### UI/UX Designing

- Designed and developed interactive UI prototypes and responsive web layouts, improving usability for web and mobile applications.
- Conducted user research and applied user-centered design principles to optimize the overall user experience.
- Collaborated with developers to implement frontend features using React, Tailwind CSS.
- Created UI assets, wireframes, and design guidelines using Figma.

**Tools & Technologies:** Figma, React, Tailwind CSS, VS Code

## Education

---

**KEC Erode**

Jul 2022 – Apr 2025

BSc in Information Systems

**CGPA:** 8.62/10

**Relevant Coursework:** Database Management, Web Development, Mobile Development, Cloud Computing, Data Structures & Algorithms, Object-Oriented Programming, Software Engineering, AI & Machine Learning

## Project Work

---

- **Course Booking Website (2024):** Built a full-stack web application for booking courses with user authentication, course catalog, booking management, and integrated payment gateway. Designed a responsive UI using MERN Stack & CSS.
- **Bakery Website (2025):** Developed a full-stack web application for a bakery using MEAN Stack. Implemented product catalog, order tracking, and user authentication. Designed a modern, mobile-friendly UI with Tailwind CSS.
- **E-Commerce Website (2025):** Created a full-stack e-commerce platform with product catalog, shopping cart, checkout, and secure login. Integrated AI features with Gemini and ensured a responsive UI using MERN Stack & CSS.

## Awards and Certificates

---

- **First Prize – Inter-Department Event (2025):** Awarded for E-Commerce Website project using MERN Stack and Gemini
- React JS Course on Scaler Academy
- CSS, JavaScript, and Python Beginner Courses on Udemy
